Dear Mr. Brenchley,

This is to confirm our conversation of yesterday.

I am pleased to offer you a position here as an assistant master, commencing Thursday, 8th January 1959.

The commencing salary will be at the rate of £458 per annum, payable £9 weekly. Your first term would be on a temporary basis but I hope it would be made permanent after a few weeks.

I will let you know about your subjects when I see you on the 3rd of December.

By the way, there would be a term's notice on either side.

Will you please acknowledge this.

Yours sincerely,
